# 2025 EVENT START TIMES

## EVENT SIGN ON:

- The 140km cycle starts at 9.30am
- The 80km cycle starts at 10.30am
- Both cycles start from the courtyard of the Clifden Station House Hotel.
- If you are cycling in the 80km event please do not enter the start area with your bike until the 140km cyclists depart at 9.30am.
- Please leave plenty of time to get to the event sign on as there will be a lot of traffic on the access roads to Clifden

There are three options for participants to sign on for the event.

Bring your event registration details on your phone or printed out to be scanned in and receive your event ID.

This is your ID for registration and will be scanned to allow you to collect your event pack and event wristband / bike tag.

- The Night Before – Friday 23<sup>rd</sup> May
- Galway City - Between 3.30pm and 7.00pm at Monaghan's ŠKODA garage on the Tuam Road, Galway City

- Clifden - Between 4pm and 9.00pm at the event office directly beside the Clifden Station House Hotel
- The Day of the Event - Saturday 24<sup>th</sup> May from 7.30am
- The event office is located in the Theatre on the grounds of the Clifden Station House Hotel

## What you get:

**1** If you purchased an event jersey with your registration you will receive it at sign on (the jersey size you ordered will be the jersey size you will receive).

**3** Bike Tag and event information

**2** You will also receive your event identification that you must wear in order to access the Feed Stations and gain access to the event start area.

**4** ŠKODA Cycling Gift

# EVENT SAFETY

**NB: The ŠKODA Tour de Conamara is not a closed road event and you must adhere to the normal rules of the road.**

Cycling on the route is maximum of two abreast. Please respect other road users and local residents during the event.

The event is a sportive and not a race and you are responsible for your own safety and the safety of others on the road.

The routes selected for the Tour de Conamara are generally quiet roads but you will encounter some main road junctions. Be please aware of traffic on all roads.

ŠKODA marked directional signs will be placed throughout the route and marshals will be evident throughout the route. Please remember marshals are only there to assist. You must check for oncoming traffic at all junctions.

All participants will be provided with an emergency contact number in the case of an emergency on the route.

You are responsible for taking part in the event on a safe and suitable bike. Participants are responsible for their own bike maintenance.

There is limited mechanical support system will be in place and will sweep throughout the route. Bike Mechanics will be located at all feed stops and track pumps will be located at a number of points throughout the route.

Please ensure you have spare tubes in the event of a puncture and do not rely on the emergency number for help with changing punctures etc.

Please pump your tyres before you start to avoid early issues with your bike on the route.

No earphones permitted.

No tri bars permitted.

# EVENT IDENTIFICATION

When you sign on for the ŠKODA Tour de Conamara you will receive two forms of event identification

**1** Bike Event ID – to be attached to the front handlebars of your bike – without this bike ID you will not be able to enter the start area or avail of on route services / supports and food stops. This will be your bike number to access event pictures online after the event.

**2** Cycling ID – You will receive an event wristband with your event. This also has the event emergency number. These are colour coded for the 80km and 140km cycles. If you are on the 140km cycle you will receive a different colour ID to the 80km cyclists. Access to the feed stations will be based on the colour of the wristband you are wearing so it is important you collect the correct ID at event sign on.

You will need to present this wristband at the finish for the event BBQ. The hotel will collect the wristband when you go to the BBQ area and this becomes your token for the BBQ. No wristband No BBQ.

**Please do not park on Church grounds in Clifden or in commercial retail car parks (LIDL or ALDI). Please respect the residents of Clifden and commercial premises in the town.**

# SKODA

## LAST MINUTE MECHANICALS

ŠKODA will have a bike mechanic on hand in Monaghan's Garage on Friday night May 23<sup>rd</sup> and in the ŠKODA event Dome at the event start in Clifden. If you need a last minute tweak for your bike a qualified mechanic is on hand to help you.

## FEED STATIONS

### 140km FEED STATIONS:

The feed stations for the 140km route are located at

1. Carna Community Centre (at 50km)
2. Maam Valley Community Centre (at 90km)
3. Water Stop at Kylemore (at 120km)

### 80km FEED STATIONS:

The feed stations for the 80km route are located at the Cashel Community Centre plus a Water Stop at Kylemore (80km).

Please note that if you do not avail of the first stop at Cashel Community Centre, it will be 60km before you reach a Water Stop station.

## FIRST AID

We recommend you also bring also your own supply of cycling gels, bars and drinks.

## ON ROUTE TECHNICAL SUPPORT

Ambulances and roving paramedics will be available all day, should anyone require medical assistance it will be administered in the fastest possible timeframe. Please call the emergency contact number provided on the day for medical emergencies.

There will be a number of roving bike mechanics. All the feed stations (except the Kylemore Water Stop) will have a bike mechanic on hand to fix any problems you encounter on route.

# Please respect the Connemara community – Bring home your litter.

- Be Considerate and respect the host community.
- Cycle Responsibly and do not throw your waste on the roads.
- Dispose of Waste Properly using the bins at the feed stations.
- Don't be the one to give cyclists a bad name by throwing litter on the roads.

**LEAVE NO TRACE**

Hometree is a pioneering nature restoration charity based in the west of Ireland. Follow the QR code to donate to our Wild Atlantic Rainforest Project and help restore our rare temperate rainforests. To learn more about this project visit: [hometree.ie/wild-atlantic-rainforest-project](https://hometree.ie/wild-atlantic-rainforest-project)

At Hometree, we believe the future of Ireland is rooted in the health of its land and we are committed to restoring the country's rare and threatened native temperate rainforests. What began in 2014 as a humble community garden in West Clare has grown into a national movement - a dedicated team, a passionate network of communities, and an ambitious strategy to restore 57,500 acres of resilient, thriving habitat across Ireland.

But we can't do it alone. Visit [www.hometree.ie](https://www.hometree.ie) to find out how we can collaborate together to restore Ireland's nature - thank you for playing your part in creating healthier ecosystems in Ireland.

For further information, please contact our Partnerships Lead, Rob Ó Foghlú, at: [rob@hometree.ie](mailto:rob@hometree.ie)

# REMEMBER!

## NO HELMET NO CYCLE

this will be strictly enforced

## LEAVE NO TRACE

The event operates under a Leave No Trace litter policy.

Please respect the Connemara countryside and its residents and bring home your litter.

Please do not litter the area with gel sachets, empty bottles or food wrappings etc.

## PUNCTURES

Please ensure you can change a puncture and bring spare tubes.

It may be some time before support can arrive to a spot where a cyclist may have picked up a puncture so please ensure you can change your own wheel or cycle with someone that will assist you to avoid long delays that will impact on your enjoyment of the day.

RESPECT OTHER ROAD USERS

# FINALLY

We hope you have a great day on what we believe is among the finest cycling routes around set against the backdrop of spectacular Connemara and the Wild Atlantic Way.
